C. I am not fully functioning for I am not aware of the IT mission roles mentioned. How can I receive briefing or training on the matter?

Answer: YOU could attend our monthly IT MEMBERSHIP BRIEFINGS for FREE. If you have taken it in the past, you are welcome to take part in as many sessions as you want – to refresh your commitment and to energize your mission calling under IT. You will be asked to identify your role in the organization and your choice will be your official role in IT. You are encouraged to join our GLOBAL MISSION SUMMIT, a local conference deigned to provide our missionaries with a greater understanding and appreciation of what it means to be an IT Member. IT roles will be given prominence with the objective of enhancing your knowledge and capability on the role you have committed to. The conference aims also to stir up the passion for global missions in the hearts of every missionary.

D. I have not been participating in IT activities and programs for I am unaware of those things. How can I be informed and invited?

Answer: All activities, events and programs are announced at our Facebook page and website and FB Group pages. We don't send invitations and announcements to each individual missionary. It is every ITeams missionaries' responsibility to regularly check our IT Facebook page and IT Website for announcements.

We also encourage participation in our weekly Thursday online mission fellowships to gain a feel of our organizations passion and receive constant flow of information as well on upcoming events.

E. I have signed up on a specific role already since last year, but I am unsure as to how I will proceed and carry out that mission role. I am very much willing to give my time and effort, but I don't know how to go about doing it. What must I do?

Answer: There are IT Roles Meetings intended to give guidance and strategic directions to everyone. The pandemic episode has changed the whole mission landscape and we are navigating on new territories; and we haven't been engaged in the roles in the recent past. But we are now ready to move forward, regardless of the situation.! So, please expect to see Role meeting announcements soon and please prioritize attendance to those meetings.
